ABOUT US

WORLDNET PROTECTION ASSET S.R.L.

Part of the **Worldnet Security Agency** group, we operate nationally and internationally, providing tailored security and facility management solutions.

A SINGLE PARTNER FOR SECURITY

We protect people, facilities, and data by integrating physical presence, access control, intelligence, and technology. Dynamic services designed for real risk.

TERRITORIAL PRESENCE

WIDESPREAD NATIONAL COVERAGE

Active across all regions of Italy and major municipalities. We guarantee our clients uniform operational and logistical coverage to meet every security and concierge need, wherever requested.

OPERATIONAL HQ AND MANAGEMENT

Our main headquarters is in **Segrate (Milan)**, a strategic coordination point from which we manage and monitor personnel deployed at client sites.

- 24/7/365 active operations center
- Local coordination in every region of Italy
- Centralized management for multi-site clients

PROFESSIONALISM & EXPERIENCE

300+

GROUP COLLABORATORS

20+

YEARS OF MANAGEMENT EXPERIENCE

24/7

OPERATIONS AND GUARDING ACTIVE

Competence, Reliability, and Confidentiality guide our actions to deliver excellent services exceeding client expectations.

CORPORATE OR PRIVATE SECURITY

PROTECTION OF ASSETS AND PEOPLE

We manage and supervise any security task assigned to us with rigor and maximum confidentiality, protecting corporate assets, properties, and resources.

A SINGLE POINT OF CONTACT

Managing security via a single partner simplifies administration, standardizes service quality across all locations, and speeds up reaction times in emergencies.

THE FIVE KEY COMPETENCIES

01

FACILITY & PATROL

Concierge, corporate reception, and operational control of entryways.

02

ACCESS & DOORMAN

Doormen for luxury boutiques, showrooms, and retail stores.

03

EVENTS & HOSPITALITY
